

**Round V of the Youngsville Area Hometown Heroes Banner
Project Sponsorship Form**

The program calls for street banners to be displayed on street lights throughout our Community. Each 24" x 48" banner will be printed on both sides of a heavy vinyl with UV protection, and will honor a specific Youngsville Area service person. The Banner will include his/her photo, name, branch of service, and era of service. The donors name will also appear on the bottom. Special brackets will be used to secure the Banners to street lights and/or utility poles. **Having the banners up from Memorial Day to Veterans Day would allow for Christmas banners and decoration to go up and also extend the life of the Banners.**

The Youngsville Area Hometown Heroes Project is being supported by **the Warren County Veterans' Affairs, the Youngsville Borough, the Youngsville Public Library, the Warren County Commissioners, Warren County Historical Society and the Warren County Visitor's Bureau.** This project is designed to pay tribute to the contributions and sacrifices of Youngsville Area veterans from as far back as the Revolutionary War up to the present war in Iraq and Afghanistan and those serving here at home and abroad during peacetime or wartime.

You and or your organization, business, or corporation's participation in the project is needed and appreciated as some families cannot afford to honor the service of their Hero or a nominated Hero has no family left.
